

CSUF Supports Project SAFE on Giving Tuesday

Giving Tuesday, a global day of giving, falls on Nov. 27. Join us and make an impact by providing to CSUF students in need this giving season! Nearly 21% of CSU students lack regular meals and 8% lack stable housing. Your gift to Project SAFE (Student Assistance Fund for Emergencies) provides meals, housing and emergency support for CSUF students, helping them achieve their educational dreams. This year, the Cal State Fullerton Alumni Association is proud to be partnering with others on campus to match every gift dollar-for-dollar up to \$10,000. [#GivingTuesdayCSUF](#).
