### 2022 Spring Economic Forecast

The 2022 Spring Economic Forecast at CSUF will take place on April 22. This year's Forecast event will include an opportunity to connect one-on-one with economists Anil Puri, Woods Center director and provost emeritus, and Mira Farka, Woods Center co-director and associate professor of economics, before the event. During the forecast, Puri and Farka will discuss the state of the Orange County, California, and national economies in light of current events such as the Fed's interest rate increases, the real estate boom, and recent stock market volatility. All

proceeds support student programs at the College of Business and Economics.

## Daniel Dae Kim on Asian American Experience: 'You Have to Make Your Own Room'

For the past three decades, Daniel Dae Kim has increased exposure for marginalized groups — especially Asian Americans — as an actor and producer. Kim recently spoke to about 300 Cal State Fullerton students and community members at the Titan Student Union Pavilion about his work in entertainment and social justice advocacy. The event, titled “A Conversation With Daniel Dae Kim,” was part of the university’s “Beyond the Conversation” speaker series.

## Video Submissions: Congratulate our '22 grads!

Titan family, it's that time, graduation is around the corner, and we will welcome over 10,000 new alumni to our growing alumni family. Want to extend a warm welcome and a congratulatory message? Please share a short congratulatory message via the dropbox link below. We will be using 5 - 10 second snippets for social media. Due to time constraints, not all videos may be used in the final product.

## Upcoming Cyber Security Certificate Program

According to the U.S. Bureau of Labor Statistics, Information Security Analysts had a median pay of \$103,590 in May 2020, and cyber security jobs are projected to grow 33% from 2020-2030. To meet this industry growth, CSUF Extension & International Programs (EIP) is planning to release a new Cyber Security Certificate program this fall. If you're interested, sign up to receive exclusive details and get notified when the program goes live!

## CSUF Finance Students Win Investment Research Competition Third Year in a Row

The high caliber of Cal State Fullerton finance students was on display as undergrads affiliated with Titan Capital Management (TCM), the real-money stock and bond portfolio at CSUF, took top honors in the Chartered Financial Analyst Los Angeles region chapter's Investment Research Competition in February. This is the third consecutive victory for Titan investment students, tying the record for consecutive first-place finishes set by Cal Poly San Luis Obispo from 2014 to 2016.
