## Health Law Expert Named Dean of College of Health and Human Development

Jason Smith, an expert in bioethics and health law, has been appointed as the next dean of CSUF's [College of Health and Human Development](#) effective July 1. "I am very excited to join the Titan family and especially the College of Health and Human Development, which is home to amazing faculty, staff and students doing outstanding work in all areas of human health and welfare," said Smith. "This role is particularly important as California grapples with the challenges of the climate crisis, ongoing inequities, and the COVID-19 pandemic."

## Dinner with 12 Titans (D12)

Dinner with 12 Titans (D12) is back this fall with in-person get-togethers! D12 brings students and alumni around the table over a shared Titan experience. In-person gatherings will take place on September 24 & 25. Ideal hosts are 2-3 years into their career and willing to share their personal, academic, and professional journey as it pertains to helping students. Host opportunities are limited, apply today to host a group of students!

## \$1.25 Million Grant Supports Smart-Home Technology Solutions to Serve Formerly Homeless People

A \$1.25 million National Science Foundation grant is funding a Cal State Fullerton community-based project to develop smart-home technologies for people previously affected by homelessness and now living in permanent supportive housing. The three-year project brings together a team of interdisciplinary researchers from CSUF and USC and two nonprofits that address Orange County homelessness issues.
