Hi Tuffy, I'm reaching out because you are a CSUF graduate and **[[ADD REASON FOR REACHING OUT – why them (job, position, experience, etc.)]]**. I would love to talk to learn more about your background and experience. Would you be open to talking for 20 to 30 minutes? I'm specifically interested in:

- Did you always know you'd end up in the position you are now?
- How important is my major/degree to any given career?
- What can I do to make myself more marketable?
- What do you wish you knew at my age?
- What keeps you motivated?
- How did you figure out what to focus on?- there are so many options
- How did you get to this point in your career?
- What sort of things are important for progressing once in a job?
- Where do you see your career path headed?
- How can I best prepare for a job in this career?

I hope to hear from you soon. However, I can imagine you're quite busy, so I will follow up in 2 weeks to see if you're available.

Thank you in advance!
